IN MEMORIAM

In memory of our dear mother, Mrs. Lucy McFadden, who departed this life six months ago, Sept. 24, 1946.

We have lost our dear, sweet
mother;
She no more on earth shall roam,
And there'll never be another
Who can take her place at home.

Mother's life was true and faithful
And her heart was filled with
love,
Trusting Jesus as her Saviour
Till she joined Him up above.

Some day we shall go to meet her,
Where there'll be no more good-
by;
We can think of nothing sweeter
Than our meeting in the sky.

—Daughters, Mattie and Cornelia.

Patients Should Have Ethics, Too

★ A physician is a busy man. Day and night he is ready to give succor to those in need of his care. Let us be fair. Do not telephone him at mealtimes just because you know he can be reached. And do not call him at night, unless absolutely necessary. Confine your calls to his office hours as much as you can. That is what office hours are for.

Keep your appointments promptly, or notify him in advance that it is impossible for you to do so. In short, treat him as you would wish to be treated were you the physician. A sympathetic appreciation of his problems greatly enhances the help he can give.

Silky-Haired Monkeys Join New York Zoo

Rarely seen in the United States are these tiny South American monkeys, called cotton head marmosets. They are only about the size of a week-old kitten. In tropical South America they are prized as pets, with their big bright eyes and long silky hair. As they are delicate, and seldom survive the winter in northern climes, few zoos have any specimens. These are recent arrivals at the New York zoo.

Uncle Sam Says

Have you stopped to think that you are a Minute Man, 1947 model, when you invest in United States Savings Bonds? The first shots in defense of your security were fired on April 19, 1775, on Concord bridge in Massachusetts. Today you stand guard over your security not with bullets but with your Savings Bonds which in the years to come will make your home the fortress it should be against financial distress. Equally important to you is the fact that your growing stack of Savings Bonds is available for attainment of personal or family goals such as a new home or education for your children. Every dollar you invest in Savings Bonds is backed by the United States Government. Savings Bonds are safe, sure, profitable—$4 for every $3 invested 10 years hence. *U. S. Treasury Department*

CANCER DRIVE IN APPOMATTOX IS OFF TO A GOOD START

The Cancer Fund drive in Appomattox got off to a good start with the first contribution coming unsolicited from Dr. C. G. O'Brien. This seems most pertinent as i' a good indication that the medical profession endorses and backs the efforts being made by the Cancer Foundation. The doctors, more than anyone else, realizes the need for research in this field. Also, the doctors in our community realize that funds contributed by us, serve our indigent patients as they actually refer the needy patients to our Welfare officers, who in turn call on the Cancer Foundation for the necessary funds incident to treatment of these cases.

Last year three patients from this county received examination and treatment at the expense of the foundation. The tumor clinic establisned in Lynchburg in 1946 serves our area for cases referred by our local doctors. If we should have more expense for our patients than we raised money for in our county, the resources of the entire foundation are available for use as long as they last. Contributions are used for the three-fold purpose - research in the hope of finding a cure; education,- helping the general public to recognize the danger of cancer and how to recognize its symptoms - and service - that is, the actual treatment of cancer patients.

The following solicitors have been designated to receive contributions to this cause:

Hon. J. W. Flood, representative of the Lions Club, which is co-operating in this drive; Mrs. J. R. Marshall, Mrs. Edwin Fore, Mrs. Vance Harvey, Mrs. J. P. Paulette, Mrs. F. A. O'Brien, Mrs. L. T. Lucado, Mrs Owen Carson, Mrs. C. M. Caldwell, Mrs H. M. Marshall, Mrs. Robert McClenny, Mrs. Carlton Canada, Mrs. B. C. Childers, Mrs. Ike White, Mrs. W. D. Hunter, Mrs. Ida McCann, Mrs. W. D. Perdieu, Miss Margaret Moon, Mrs. Wiley Moore, Mrs. Clarke Moore, Mrs. R. E. Smith, Mrs. R. B. Martin, Mrs. J. L. Harrison, Miss Cassie Baldwin and Mrs Frank Nash, all representatives of the Home Demonstration Clubs.

For the town of Appomattox: Mrs. W. W. Scott, Mrs. Harriett Redding, Miss Beulah Ferrell, Mrs. LeRoy Smith, Mrs. Carey Jefferson, Mrs. Garland Holt, Mrs. Adfield McCain, Mrs. Amy Glenn, Mrs. Lula Goodrich, Mrs. Joe Irby, Mrs. V. Lusardi, Mrs. Lewis McDearmon, Mrs. Anne Staples, Mrs. Ned Hancock, Mrs. Robert Hubbard and Mrs. W. W. Abbitt. Workers are needed for some parts of the county and volunteers are asked. Following the drive by the workers, those who have not had an opportunity to give will be given a last opportunity through the churches.

A statement of the financial returns will be made.

Anniversary

Mr. and Mrs. A. T. Anderson, of Pamplin will celebrate their 50th wedding anniversary on April 13th.

The 82nd.

APRIL 9, 1865

April 9, 1865, 82 years ago today, Appomattox was a booming town. Today, April 9, 1947, Appomattox is a growing town!

That's the way a notice posted by a local druggist read yesterday, the anniversary of the Surrender here in 1865, ending the War between the States. Otherwise, in so far as we know, there was no local observance of the famous event.

High School CHATTER

- Contributed

Hi, everyone! Naturally everyone has been excited this week because of Easter. From all we can find out, everyone had a great time. Of course, corsages were all about and they were very pretty. Some of the boys must have spent a lot of money. For instance, Dot Munsey must be very popular. We saw her at church Sunday morning with white carnations and Sunday night with an orchid. Can anyone guess who are lucky guys are? Also Dick Carter evidently put out some because we saw him carrying around a corsage box Saturday afternoon. And what about that beautiful orchid Billy gave Nancy? We also heard Keith gave Josephine red roses. How about these boys around here?

We're always glad to see some of the graduates come back to visit us, especially Dick Wingfield. He looked pretty handsome in "the uniform" too.

The basketball girls and the football boys are planning a picnic for Wednesday afternoon. We hope the weather turns out OK.

We went to the show the other Saturday night and it really put us up on the latest news. For instance, we saw Molly Paris and Aubrey McFadden there, as well as Evelyn Kestner and David Ferguson. Oh, and we mustn't overlook Shirley Stanley and Burnette Smith.

All of us students are sorry to hear of Miss Holly's illness. We all miss her and hope she'll be back with us very soon.

The boys have begun practicing baseball now. In fact, they have a game this Friday with Cumberland. We wish them the best of luck.

We're sorry to hear that Miss Harris had an unfortunate accident over the holidays and broke her arm. We hope she will soon be back with the school.

Well, this looks like all for now. So until next time — so long.
